MACHAKOS UNIVERSITY

STAFF WELFARE POLICY

OCTOBER, 2018
VISION STATEMENT

A preferred University of Excellence in Scholarship and Service delivery

MISSION STATEMENT

Provide scholarly education through Training, Research and Innovation for Industrial and socio-economic transformation of our communities
FORWARD
Machakos University recognizes all its employees as the most valuable resource and that the welfare of all staff is essential in achieving the University’s Vision and Mission. The University is committed to providing a caring and supportive working environment which is conducive to the welfare of all staff to enable them develop and optimize their full potential. However, staff welfare is a joint responsibility and members of staff are expected to contribute and participate effectively. This policy therefore gives highlights on the benefits staff will enjoy as well as their expected responsibilities.

This policy is to be read hand in hand with the MksU Human Resource Policy, Terms of Service, the signed local Collective Bargain Agreements (CBAs) and other Machakos University approved Policies. The stewardship of the University is hinged on the principles of good corporate governance and integrity, all geared towards the transparent, efficient and effective delivery of services, so as to maintain public confidence in the integrity of the institution, within the Vision and Mission of the University, and the provisions of the Universities Act, 2015.

Members of staff, being the most important resource in the University, are crucial to the University’s success. In order for the University staff to work effectively, they need to have support from the University for their relevant professional development, good working environment and life after retirement. This based on the recognition that staff whose individual needs are met feel valued and appreciated and will be more productive in the execution of their duties.

The University therefore looks forward to an energized and productive work force that will propel it to international scene thus attracting more students, staff and other resources. Staff welfare shall therefore be one of my priorities now and in the future.

1.0 INTRODUCTION
This policy has been written as a guide to assist staff in understanding the responsibilities, conditions and benefits of employment while in the service of Machakos University. The wellbeing and satisfaction of staff members are very important to the realization of the Vision and Mission of the University. With this in mind, the University has adopted policies, which ensure conducive working conditions, fair wages and salaries, standard hours of work and job security for efficient and committed employees. The policy is meant to complement Machakos University Terms of Service (ToS) and Human Resource (HR) Policy document. As such, it should be read Mutatis Mutandis with the MksU Terms of Service applicable to your grade as well as with other relevant University policies. Whereas the policy deals with almost every situation important to the staff, it may not cover all the emerging issues because of the numerous departments, sections and units that exist within the University. Therefore, specific instructions and operational guidelines may be issued from time to time by Heads of Divisions (HoDs).

The members of staff are therefore encouraged to familiarize themselves with University policies regulations and practices. In case of any clarifications, members of staff are advised to consult with their immediate supervisors. They are also required to note that this policy is not a contract of employment document.

The university is guided by its mission, vision and core values when formulating this policy.
